25 punched vellum snowflakes

25 7/8 inch squares from shimmery white cardstock

- 1) Make card base from Shimmery White cardstock.
- 2) Stamp large dotted square onto card using Silver Encore ink. Then stamp smaller dotted square, layering it a bit into the larger square.
- 3) Stamp sentiment, in silver ink, on right side of card.
- 4) Stamp snow flurry image using glue pad onto card. Apply glitter. Tap of excess.
- 5) Stamp large snowflake image, onto punched out vellum snowflake, using glue pad. Sprinkle on glitter generously, then tap of excess. Adhere adhesive rhinestone to center. Use dimensional or dimensional glue dot to adhere to center of larger square.
- 6) Stamp small snowflake onto 7 8 square of white shimmery cardstock, using glue pad. Sprinkle on glitter. Tap off excess. Apply adhesive rhinestone to center. Adhere to center of smaller square, using dimensional.
