### OTHER

(1) spool New Leaf Grosgrain Ribbon

(1) bag Pure Poppy Vintage Buttons

(1) spool Vintage Twine

Christmas Red Stickles (or red glitter and glue)

### TOOLS

1-3/4" circle punch (or circle cutting die)

nesting corner rounders

foam tape

glue dots

## CUTTING LIST

Vintage Cream card base: 5-1/2" x 8-1/2", scored at 4-1/4

Vintage Cream tag: 3" x 3"

Pure Poppy for card front: 4-1/8" x 5-3/8"

New Leaf Grosgrain ribbon: 6-1/2" length,  
wrapped around the back of the card front on both  
sides and taped in the back.

## DIRECTIONS

1. Cut card base from Vintage Cream and card front from Pure Poppy. Round outer corners.
2. With the Versamagic Champagne ink, stamp flourishes using the Fancy Flourishes set. (Alternately, you could stamp them with a glue pad and add red glitter.)
3. Stamp sentiment in New Leaf ink on Vintage Cream cardstock. Punch or die cut the sentiment and apply Chamomile distress ink to the edges. Dot berries with Christmas Red Stickles, or apply glue and red glitter.
4. Wrap length of New Leaf grosgrain ribbon around the card front about 1/3 of the way up from the bottom and tape ends down on the back of the card front. Using foam tape, attach the sentiment circle to the card front center, also centering it over the length of ribbon. Add buttons on either side of the sentiment. (It might be simpler to thread the buttons separately and then use a mini glue dot to attach them to the ribbon.)
5. Attach card front to card base and stamp inside sentiment as desired.
