

# 2016 EGG HUNT

In honor of Papertrey Ink's new spring products, we are hosting an Egg Hunt and you are all invited! Your challenge is to visit each of team member's blogs and locate the main Egg Hunt photo at the top of their blog posts. Search each of the ten photos for a small image of an egg that looks like this:

DO NOT count eggs that are part of the project or stamped (solid and in color). Only the white egg images will be included in the final count. Be forewarned that some photos may not have any eggs hidden within them and others may feature as many as four! Use the sheet below to keep track of your progress. Once completed, calculate your final grand total and add your official entry to the comments section of the post!
