Sketch recipe

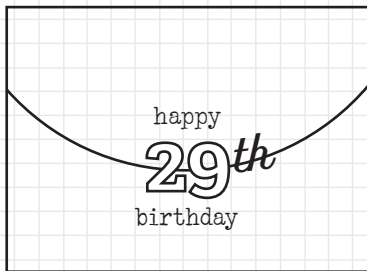

DESIGN NOTES:

adhere a cover plate die-cut an angle and trim the excess off. Accent with a large die-cut word at the same angle.

june 2015 release | www.papertreyink.com

Sketch recipe

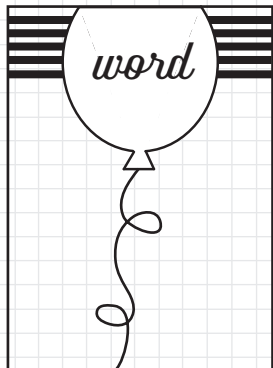

DESIGN NOTES:

Add a curved block of patterned paper to the top portion of your card. Stamp sentiments above and below die-cut numbers, customized to the age of the recipient.

june 2015 release | www.papertreyink.com

Sketch recipe

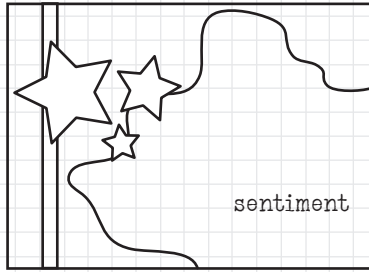

DESIGN NOTES:

stamp stripes on the top portion of the card and layer a large shape, like balloon, over them. A die-cut sentiment helps to add balance.

june 2015 release | www.papertreyink.com

Sketch recipe

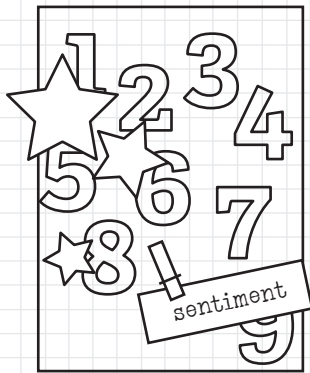

DESIGN NOTES:

watercolor a large patch of color in the corner and heat emboss a sentiment in white. Add a strip of colored cardstock to the side, accented by three stamped or die-cut accents.

june 2015 release | www.papertreyink.com

Sketch recipe

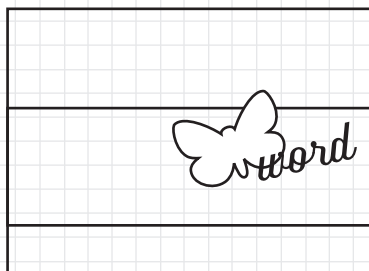

DESIGN NOTES:

embos number dies all over your card cover, add large balloons or stars for pops of color if you wish. Incorporate a lengthier sentiment on a cardstock block attached with a mini clothespin.

june 2015 release | www.papertreyink.com

Sketch recipe

DESIGN NOTES:

add a strip of patterned paper to your card front. Add a simple die-cut word at an angle, accented by a focal point image.
